Business and Industry Endorsement Codes

NAC 391.425

1. To receive a business and industry endorsement, the applicant must:
 - a. Have earned a high school diploma or its equivalent;
 - b. Have been employed for at least 5 years after 16 years of age in a position which relates to the program for which he is applying for endorsement; and
 - c. Hold the appropriate license if one is required by law for employment in an occupation which the person desires to teach.

NAC 391.430

A person who holds a business and industry endorsement may:

1. Provide instruction to pupils enrolled in a program of career and technical education in middle school, junior high school or high school; and
2. Teach an academic subject if it is:
 - a. Related to an area of career and technical education which his endorsement allows him to teach; and
 - b. Necessary to achieve success in the instruction of that area of career and technical education.

If a person has the following Business and Industry endorsements, he can teach the following assignments: Core assignments are in red
